

- Go to www.capnhq.gov
- Open the menu in the upper left corner
- Expand the “Safety” section at the bottom
- Select the Safety Information and Reporting System (SIRS) application

CIVIL AIR PATROL SAFETY

SAFETY INFORMATION AND REPORTING SYSTEM (SIRS)

As of 1 October 2019, the new safety regulations are in effect. To find out more, go to the Safety pages on the CAP website. You'll find links to the new publications and forms, and information and tools to help you with all the new program elements. If you have any questions about the new program, make the [CAP SAFETY PAGES](#) your first stop. If there is anything else you'd like to see on those pages send us an e-mail and let us know!
