

RULES OF RAMP AND APRON FOR THE ST. LOUIS REGIONAL AIRPORT

1. Ramp permit stickers **must** be displayed in the lower right hand corner of the front windshield. Failure to do so may result in your vehicle being towed at the owner's expense.
2. No vehicles are permitted to drive in front of the control tower. If you need to go from one end of the apron to the other, you must use the electric gates.
3. No parking vehicles on grass areas. Please park your vehicle inside your hangar if at all possible.
4. Speed limit is 15 MPH on all operation areas.

Noncompliance of these rules or the Rules and Regulations (1979-1) may result in fines, loss of apron privileges, or towing. Please note, the Bethalto Police Department does have the authority to issue tickets on airport property.
